Government have also sanctioned construction of a lunch shed at the Kollegal Silk Filatures and I have recently addressed them in connection with the construction of an extension ~~to~~ the present cocoon store room. Both the items of work will have to be done under the supervision of the Special Engineer. Further, the work of fitting up of steam and water connections to reeling basins in the Govt. Silk Filatures has yet to be completed. I request that Government may be pleased to sanction the continuance of the Special Engineer and staff detailed below for a further period of two months with effect from 1st August 1943 or till the completion of the work, whichever is earlier:
